## LEGACY CORNER

### The Gift of Opportunity

**Sarah Khan MA '06** hopes to instill in future students the same values she learned in the Organization and Leadership Master's Program at the USF School of Education.

"It made me think about my values. It changed the trajectory of my career, and it made me think about the kind of leader I wanted to be," she says.

As the daughter of a Pakistani immigrant, Sarah says the Jesuit experience at USF made her think about her own opportunities and how she could support first-generation students.

To support them, Sarah and her husband, Peter Carvalho, established a bequest to fund scholarships for students in the School of Education. Although they are in their 40s, the couple wanted to plan their legacy early in life.

"We decided to start the planning process early in life because we wanted to take charge of everything we really worked hard for up to this point and didn't want to leave it up to chance."

# EXPLORE USF EVENTS AND NEWS

## Congratulations to the Class of 2017

Today, nearly 11,000 students are enrolled across five schools and colleges, which share a mission of preparing men and women to contribute to a multicultural world guided by a pursuit of knowledge, compassion and justice.

In May, we welcomed more than 2,000 students to the alumni community that is now more than 100,000 strong! Because of donors like you, students from different backgrounds and academic interests have access to a transformative Jesuit education.

## School of Management Silk Speaker Series

The Silk Speaker Series includes key thought leaders on global affairs, the economy, and business. It is designed to provide learning opportunities and discussions for USF's students, alumni, faculty, staff, and friends of the university. Check out some of the speakers from last year!

**Condoleezza Rice**  
Former Secretary of State

**Robert C. Merton**  
Nobel Laureate  
in Economics

**Steve Wozniak**  
Co-Founder of Apple Inc.

On Thursday, June 8, senior Charlotte Taylor raced to a historic finish at Hayward Field, becoming USF's first individual national champion in nearly 50 years after gliding to the finish line in the 10,000 meters.

Along with standing alone as the only female to win a national championship at USF, Charlotte stands as just the third Don in history to become a two-time first team All-American — the first to do so in multiple sports (2016, cross country).

## A NEW BEGINNING

### The Dawn of Jesuits West

Officially launched on July 1, Jesuits West is the newest province of the Society of Jesus in the United States, standing ready to serve as a force for good to God's people in 10 Western states and beyond.

Under the stewardship of Provincial Father Scott Santarosa, SJ, and a cadre of Jesuit and lay leadership and volunteer partners, Jesuits West is a broad network of approximately 100 ministries and works.

The new province, which reunites the former California and Oregon provinces since their split up in 1932, will continue the Jesuit tradition of going to the margins of society to provide education, spirituality, and justice wherever it is needed. To read more about Jesuits West visit [jesuitswest.org](http://jesuitswest.org).

# DAY OF THE DONS 2017

## Growing the Next Generation of Donors

On April 6, 2017 USF kicked off its third annual 24-hour giving campaign known as the Day of the Dons.

In just one day, 1,621 alumni, students, faculty, staff, and friends raised more than \$520,000. USF crushed its goal of 1,500 donors in less than 24 hours and to all who gave, thank you!

The Day of the Dons campaign helps cultivate and energize future generations of USF donors!

## Upcoming Events Selected Just for You

## Please welcome our newest legacy society members:

Catherine Re '79  
John Galvin '62  
Carol Summerhays '74  
Mary Driscoll '74  
Keith '80 & Connie Granger  
Gary Isoardi '74, '77  
Judith Cohen  
Margaret '07 & Richard '67 Tempero  
Brenda Nikolai '97  
Robert '98 & Susan Olberding  
Dennis Black '68

USF recently received a gift from the estate of Helen Ross '59 to fund scholarships for nursing students. Helen's dream was to provide students with the opportunity to participate in a first class education and go out into the world and help others. Helen's gift will make the dreams of many nursing students come true.

## Reliable fixed payments for life.

Discover the benefits of gifts that pay you back.

In exchange for your gift of cash, stock, or mutual funds you receive guaranteed, fixed income for life for you and your family. Discover the benefits:

Attractive payout rates as high as 9%.

Immediate income tax deduction.

A great addition to your retirement plan.

If you would like to learn more about gifts that pay you income, please contact the Office of Gift Planning at (415) 422-4163.
